

Ohio Balance of State Continuum of Care 2017 CoC Project Evaluation Scoring and Preliminary Ranking Results

Purpose of this Listserv Message

This message announces the release of 2017 CoC project evaluation scoring and ranking results for Ohio BoSCoC renewing CoC Program projects.

Background Information

Every year, the Ohio BoSCoC evaluates the performance of renewing CoC projects and uses those results to inform ranking of CoC projects within HUD's CoC Competition Project Priority Listing. This ranking involves, in part, placing projects into Tier 1 or Tier 2 funding categories. Moreover, these project evaluation results inform CoC project funding decisions, particularly when HUD requires cuts to overall CoC Program funding.

Details about the 2017 Ohio BoSCoC project evaluation process can be found in the *Ohio BoSCoC 2017 CoC Competition Plan and Timeline* document available at <http://cohhio.org/member-services-2/boscoc/boscoc-competition>.

Project Evaluation Results

The preliminary ranked list of Ohio BoSCoC CoC projects and their final project evaluation scores (and score details) can be found at <http://cohhio.org/member-services-2/boscoc/boscoc-competition>.

Project Evaluation Items Not Evaluated

The HUD field office was unable to access CoC project expenditures information for FY2015 grants. Therefore, all projects received full points for the evaluation item looking at current grant expenditures.

Project Evaluation Ranking

When projects received the exact same project evaluation score they were ranking alphabetically by grantee name.

Appealing Project Evaluation Results or Ranking

Renewal CoC project recipients may submit appeals of final project evaluation results and/or final CoC project ranking. ***Appeals must be emailed in a letter to the CoC Director (ericamulryan@cohhio.org) by 5/19/17.*** Late appeals will not be considered. Submitted appeals must clearly indicate exactly what is being appealed (project evaluation results and/or ranking decisions) and must clearly demonstrate and explain how the results or ranking were the result of an error in fact or an undue hardship. The Ohio BoSCoC Steering Committee will review all accepted appeals and will communicate all decisions regarding those appeals by **6/2/17**. Steering Committee decisions are FINAL.

Project Evaluation Results, Ranking, and Funding Recommendations

HUD has not yet released information about funding availability for the FY2017 CoC Competition. Therefore, the Ohio BOSCO C Steering Committee has not yet made funding recommendations for renewal or new CoC projects. Once funding availability information is released, the Ohio BoSCoC Steering Committee, with approval from the CoC Board, will identify a recommendation for funding renewal and new projects.
