Subject: New Project Application Funding Decisions, FY2017 CoC Competition

Dear Ms. Larlham:

The Ohio Balance of State Continuum of Care (BoSCoC) Board thanks you for your submission of a new Continuum of Care (CoC) project application this year. After review of applications and consideration of priorities, the Ohio BoSCoC Board has determined that your new project cannot be included in the 2017 CoC application.

Please note, the only new project the CoC will seek to fund in the FY17 CoC Competition is a new CoC-wide Rapid Re-housing project that will bring new resources to all 80 counties of the CoC.

On behalf the Ohio BoSCoC Board and Steering Committee, thank you for your ongoing commitment to ending homelessness in the Ohio BoSCoC.

Sincerely,

Erica Mulryan
