Project Applications: Before You Get Started

Review Instructional Guides:

- <https://www.hudexchange.info/programs/e-snaps/guides/coc-program-competition-resources/#general-resources>

19

Project Applications: Certifications of Consistency with Con Plan

Some grantees need to complete certifications of consistency with local Con Plans.

- CoC staff and ODSA will work with grantees individually to get these completed

20

Key Terms

- Applicant - the organization applying for funding who is ultimately responsible for project oversight and implementation
- Project Application – the application submitted for new or renewal projects
- CoC Application- the consolidated application submitted to HUD on behalf of the entire CoC
- e-snaps - the online system which contains the application forms to be submitted to HUD under the CoC NOFA for Homeless Assistance Programs

21

E-snaps

Overview

- e-snaps contains the applications forms to be submitted to HUD during the annual CoC competition
- In e-snaps, Collaborative Applicants (ODSA) complete the CoC Registration, an Applicant Profile, and the consolidated Application and project listing
- Homeless assistance providers complete an Applicant Profile and one or more project applications

22

E-snaps

Project Applications

- Click 'Save' frequently
- Provide correct answers in drop-down boxes, as those responses shape the rest of the project application
- Click on 'show' next to Instructions when you need more information about a formlet
- You can work on your project application over time as long as you save your work. Access the in-process project application by logging into e-snaps, selecting 'Submissions' from the left menu, and clicking on your project

23

Steps to Complete Project Applications

- Create or Update Applicant Profile
- Register for the 2018 Funding Opportunity
- Create your Project Application
 - Renewals should import data from previous application
- Work on Project Application
 - Including updated signed versions of all required attachments

24

Complete or Update Applicant Profile

- Complete Applicant Profile
 - Select 'Applicants' from left menu
 - All applicants (new and renewals) must complete/update the Applicant Profile
 - This includes contact info for the applicant
 - Make sure you hit the 'complete' button at the bottom of the last page
- Required forms have been moved from Applicant Profile to Project Application

25

Authorized Representative Changes

If you have a change in Authorized Representative you must formally request a change in authorized representative to gain access to e-snaps application

26

Register for the Funding Opportunity

- Select 'Funding Opportunity Registrations' from left menu
