

New Project Cover Sheet

The New Project Form is to be used to notify COHHIO that a new homeless dedicated project is beginning or has begun to serve clients in the Ohio Balance of State. During the Housing Inventory Count, non-HMIS-participating new projects are to be submitted by the County Contact. For HMIS-participating new projects, the Agency Administrator should submit this form as directed below both during the Housing Inventory Count period and whenever a new project begins to serve clients.

For more information about this report and its uses, please visit <http://hmis.cohhio.org/index.php?pg=kb.page&id=119>.

Please print this page plus the HIC Verification report, if necessary, and send to ohioboscoc@cohhio.org or the address listed below. The Balance of State CoC staff will review and approve changes and then the HMIS team will update HMIS.
