CHALLENGES

CHALLENGES FOR PARTNERS

- Training the system:
  - Having to create universal screening tool
  - Buy-in from partners and funders
- Training shelters
  - Timing of referral
  - Work flow
  - Shelter buy-in

13

CHALLENGES FOR RRH PROGRAM

- Time management
  - How often to pull referrals
  - Keeping caseload full
- 2 dynamic prioritization pools
  - HMIS and DPP Tool
- Miss important client information
