

Ohio Balance of State Continuum of Care 2019 Preliminary CoC Project Evaluation Reports – Additional Corrections and a Timeline Revision

Purpose of this Listserv Message

This message announces the release of corrected preliminary HMIS Project Evaluation Reports for Ohio BoSCoC projects renewing funding in the FY19 CoC Competition, and a revision to the Ohio BoSCoC 2019 CoC Competition Timeline.

Preliminary Project Evaluation Reports

CoC staff released the preliminary HMIS Project Evaluation Report, which can be found at <http://cohhio.org/member-services-2/boscoc/boscoc-competition/>, on March 25, 2019. However, errors were identified and a corrected HMIS Project Evaluation Report was posted (and CoC notified) on March 26, 2019. Unfortunately, CoC and HMIS identified additional errors on March 28th and had to post another corrected HMIS Project Evaluation Report on March 29, 2019 (available at: <http://cohhio.org/member-services-2/boscoc/boscoc-competition/>)

Because of the errors in the report, CoC staff are revising the 2019 CoC Competition in order to allow providers more time to review preliminary project evaluation data and make any needed corrections to HMIS data.

The timeline revisions are as follows:

- CoC Project Evaluation Process
 - Recipients correct HMIS data as needed
 - 3/25/19 – 4/11/19
 - COHHIO runs final *Project Evaluation 2019 Report, Returns to Homelessness Report, and HMIS Data Quality Reports*
 - ~~4/5/19~~ Revised Date = 4/12/19

Final Project Evaluation Report and Results

The final HMIS Project Evaluation Reports will be run on April 12, 2019. This means that grantees have time to make any needed corrections to their HMIS data between now and April 11, 2019. There will be no opportunity to correct HMIS data for project evaluation purposes after that date.

Details about the 2019 Ohio BoSCoC project evaluation process can be found in the *Ohio BoSCoC 2019 CoC Competition Plan and Timeline* document available at <http://cohhio.org/member-services-2/boscoc/boscoc-competition/>
