Answer Poverty Training Offerings for Practitioners

The Cost of Poverty Experience (COPE)
COPE is designed for practitioners to see what the individuals and families they serve experience working to navigate the system of helping organizations, governmental agencies and social challenges they face living in poverty.

Poverty Race Class & Culture...
Understanding the complex relationship between poverty & race in America
This is a 1/2 Day practitioner training designed for both professionals & volunteers, helps participants understand how race, class and cultural bias, work together perpetuate both poverty and racism.
