

Ohio Balance of State Continuum of Care 2020 CoC Project Evaluation Scoring and Preliminary Ranking Results

Purpose of this Listserv Message

This message announces the release of 2020 CoC project evaluation scoring and preliminary ranking results for Ohio BoSCoC renewing CoC Program projects.

Background Information

Every year, the Ohio BoSCoC evaluates the performance of renewing CoC projects and uses those results to inform ranking of CoC projects within HUD's CoC Competition Project Priority Listing. Preliminary ranking of Ohio BoSCoC renewal projects was posted to the CoC's website on June 26, 2020.

Details about the 2020 Ohio BoSCoC project evaluation process can be found in the *Ohio BoSCoC 2020 CoC Competition Plan and Timeline* document available at <https://cohhio.org/boscoc/coc-program/>

Project Evaluation Results

The preliminary ranked list of Ohio BoSCoC CoC projects and their project evaluation scores can be found at <https://cohhio.org/boscoc/coc-program/>. Details about project evaluation scores and any data quality issues that impacted scores can be found in the reports available in [R minor](#) and [R minor elevated](#).

Project Evaluation Ranking

When projects received the exact same project evaluation score they were randomly ranked.

Appealing Project Evaluation Results or Ranking

Renewal CoC project recipients may submit appeals of final project evaluation results and/or final CoC project ranking. **Appeals must be emailed in a letter to the CoC Director (ericamulryan@cohhio.org) by Wednesday, July 8, 2020.**

Late appeals will not be considered. Submitted appeals must clearly indicate exactly what is being appealed and must clearly demonstrate and explain how the results or ranking were the result of an error in fact or an undue hardship. The Ohio BoSCoC Steering Committee will review accepted appeals and will communicate decisions regarding those appeals by **7/24/20**. Steering Committee decisions are FINAL.

Project Evaluation Results, Ranking, and Funding Recommendations

HUD has not yet released information about funding availability for the FY2020 CoC Competition. Therefore, the Ohio BoSCoC Steering Committee has not yet made funding recommendations for renewal or new CoC projects. Once funding availability information is released, the Ohio BoSCoC Steering Committee, with approval from the CoC Board, will identify a recommendation for funding renewals and new projects.
