Goals for FY2021 CoC Competition

• Promote the use of best practices
• Maximize available funding for the Ohio BoSCoC
• Fund projects that:
  • meet community needs
  • are cost effective and maximize program and mainstream resources
  • successfully end homelessness
  • help achieve the federal strategic plan goals to end homelessness for veterans, chronically homeless, families, youth, and all others
Goals for FY2021 CoC Competition

Project Ranking Goal

To rank Ohio BoSCoC new and renewal projects in a way that helps the CoC continue to meet local homeless needs, while also maximizing CoC Program funds and ensure ongoing national competitiveness.

Goals for FY2021 CoC Competition

Project Ranking Priorities

The CoC may...

- preserve low-ranking projects at risk of losing funding where those projects represent the only CoC Program funding in their communities
- preserve low-ranking Permanent Housing (PH) projects at risk of losing funding where those projects represent the only CoC Program funded PH in their communities
- prioritize projects that have demonstrated the use of Housing First practices
- reduce funding requests for the lowest ranked projects as a means to preserve funding for higher ranked projects, if needed, and keeping in line with other priorities
- consider ranking new projects higher than some renewal projects, where the CoC believes doing so will better help the CoC meet the ranking goal outlined above.

CoC Competition Requirements

- CoCs must operate collaborative process for development of project applications.
- CoCs must establish priorities for funding projects.
- CoCs must designate a Collaborative Applicant to submit combined information for all project applicants.
