Access Point Enrollment and Referral to Emergency Shelter Workflow

Step	Action
1	Switch to COORDINATED ENTRY - BoSCoC (OH-507) or COORDINATED ENTRY - MCHCOC (OH-504).
2	Search for the head of household. In the search results, click the pencil to the left of the head of household's name. If the client is not already in Clarity, create the client(s). For multiple clients, create the household.
3	In the Client Profile, navigate to the PROGRAMS tab.
4	Under the PROGRAMS: AVAILABLE section, Click the down arrow to the right of the appropriate Access Point.
5	To include other household members in the enrollment, toggle each household member on in the Include group members section.
6	Click ENROLL.
7	Enter the head of household's data in the enrollment screen.
