

Youth Homelessness Grants Project Director Meeting 12/17/22

Agenda

- Icebreaker
- Updates
- WIC Presentation
- COHHIO - Data Overview
- Closing

Ohio Women, Infants, and Children (WIC) Program

Heather Kristofzski-Raizor, MPH, RDN, LD, CBS, CLS,
IBCLC

Ohio WIC Nutrition Administration Services Consultant
Ohio Department of Health

What is WIC

- Official name: Special Supplemental Nutrition Program for Women, Infants, and Children
- WIC is a preventive nutrition program
- WIC provides:
 - Nutrition education and counseling
 - Breastfeeding education and support
 - Supplemental foods
 - Referral services

Who does WIC Serve

- Women
 - Who are pregnant
 - Who are breastfeeding an infant up to 12 months of age
 - Who have an infant under 6 months of age
- Infants
 - From birth to 12 months of age
- Children
 - From 1 to 5 years of age

Eligibility

- Meet Income requirements
 - 185% of the Federal Poverty Guidelines (Ex: A family of 4 grossing up to \$49,025 annually is income-eligible)
 - Adjunctive eligibility
- Meet Residency requirements
 - Must live in the state in which they are applying for benefits
- Have a nutrition or medical risk
 - Determined by a health professional in the clinic

WIC Outcomes

- Adequate Prenatal Care
- Healthier Birth Outcomes
- Increased Immunization Rates
- Enriched Health Care
- Better Dental Health
- Decreased Infant Mortality Rates
- Increased Rate of Breastfeeding
- Reduced Smoking
- Better Food Choices
- Lower Risk of Child Abuse/Neglect

WIC Food Benefits

- Milk / Yogurt / Cheese
- Cereals - whole grain
- Eggs
- Juice
- Canned Fish
- Canned and dry beans, and peanut butter
- Fruits and vegetables
- Whole grains (e.g., wheat bread)
- Infant cereal
- Iron fortified formula
- Commercially prepared infant fruits/vegetables and meat

Redemption of Benefits

- Benefits issued to the WIC Nutrition Card (WNC)
- Specific to participant's nutritional needs
- WNCs can be used at more than 1,100 authorized vendor locations
- Can only purchase items/quantities that have been issued to WNC
- Items contained in a State-approved UPC database

WIC and Adapted Practices

- There are 74 projects in Ohio with clinics in all 88 counties
- 182,176 participants for Ohio (FFY20 average)

Breastfeeding Education and Support

- It is integrated into the education of all pregnant and postpartum WIC participants
- Support is provided by local staff:
 - International Board-Certified Lactation Consultant (IBCLC)
 - Certified Lactation Counselor (CLC) or similar
 - Breastfeeding Peer Helpers

Continuous Quality Improvement

Data-Driven Responses
Preventing and Ending Youth
Homelessness, in Ohio

Lisa Brooks & Amanda Wilson

Data-Driven Response

Using facts, metrics and data to guide strategic decisions that align with shared goals and objectives.

Image source

Data-Driven Response: Importance

- Creating visibility & telling part of the story of youth homelessness
- Program sustainability
 - Consistent community response for youth
- Establishing baseline information & trends
- Intentional planning & informed decision making
- Tool to further develop, tweak, refine & build-out appropriate responses

Data-Driven Response: Inviting Lived Experience

Invite youth into the process where possible:

- Hire them =)
- Invite them to:
- Provide input & make decisions on:
 - How/what data is collected
 - Data sharing & data collaboration
 - Analysis and response
 - Creation of forms/apps/tools
 - Continuous quality improvement

Image source

Data-Driven Response: Quarter 1 Snap Shot

8 of 13 subgrantees have submitted APRs

5 project types have submitted data:

- Homelessness Prevention (2)

- Transitional Housing (2)

- Rapid Re-Housing (2)

- Supportive Services (6)

- Street Outreach (1)

- Transitional Living (1)

Preliminary Data

Data-Driven Response: Quarter 1 Snap Shot

- Mental Health Disorder: 280
- Developmental Disability: 50
- Physical Disability: 16

Preliminary Data

Data-Driven Response: Quarter 1 Snap Shot

Health Conditions reported at entry:

- Chronic Health Conditions: 38
- Alcohol Use Disorder: 6
- Drug Use Disorder: 28

Preliminary Data

Data-Driven Response: Analyzing and Utilizing Data

What are we doing with the data?

- Analyzing and processing internally
- Sharing it with you
- Exploring provider, community and program trends
- Considering data-driven technical assistance and training for grantees
- Considering data-driven program standard development in partnership with subgrantees
- Exploring data quality and custom reporting opportunities
- Sustainability planning

Data-Driven Response: Housekeeping

- Important dates

Quarter	Quarter 1	Quarter 2	Quarter 3	Quarter 4
Reporting Period	07/01/2021-09/30/2021	10/01/2021-12/31/2021	01/01/2022-03/31/2022	04/01/2022-06/30/2022
Data Report(s) Due Date	10/31/2021	01/31/2022	04/30/2022	07/31/2021

Upload 3 data reports in GMIS per project

Data-Driven Response: Housekeeping

- Required Reports & Formats

All sub-grantees & contractors and are required to submit data quarterly

Data-Driven Response: Technical Assistance

Reach out to COHHIO for technical assistance & training when needed!
