

Ohio Balance of State Continuum of Care 2022 Final CoC Project Evaluation Data Available

Purpose of this Listserv Message

This message announces the release of final HMIS project evaluation data in R minor elevated (Rme) for Ohio BoSCoC projects renewing funding in the FY2022 CoC Competition.

Background Information

Every year, the Ohio BoSCoC evaluates the performance of renewing CoC projects and uses those results to inform ranking of projects within HUD's CoC Competition Project Priority Listing.

Details about the 2022 Ohio BoSCoC project evaluation process can be found in the [Ohio BoSCoC 2022 CoC Competition Plan and Timeline](#).

Final Project Evaluation Reports

The final Project Evaluation data that relies on HMIS data can be found on the CoC's reporting platform, Rme, at https://ohiobalanceofstatecoc.shinyapps.io/Rminor_elevated/.

Additionally, project evaluation scores for Housing First practices, chronic homeless prioritization, coordinated entry compliance, racial disparities analysis and bonus points, and APR submission can be found here <https://cohhio.org/boscoc/coc-program/>

Preliminary Project Ranking

Preliminary ranking of renewal CoC projects, based on final project evaluation data, will be released on June 3, 2022. Providers may then submit appeals for project evaluation results, if needed, by June 17, 2022. Any appeals should be submitted to ohioboscoc@cohhio.org.

Questions about correcting HMIS data can be directed to hmis@cohhio.org. Questions about the project evaluation process can be directed to ohioboscoc@cohhio.org
