

Ohio Balance of State Continuum of Care FY2022 CoC Competition: Grant Inventory Worksheet Review

Purpose of this Listserv Message

This listserv message serves to inform providers funded by HUD's Continuum of Care (CoC) Program of the process for review and correcting the Grant Inventory Worksheet (GIW).

Background

Prior to opening of the annual CoC Competition, the U.S. Department of Housing and Urban Development (HUD) requires all CoCs to review and complete the GIW. The GIW lists all CoC projects in a CoC eligible to renew funding in a particular year. HUD uses the GIW to determine which projects are eligible to receive renewal funding, the level of funding for each project, and the annual renewal demand for FY2022. *Grants not listed in the GIW will not be allowed to renew CoC funding.*

Grant Inventory Worksheet Review and Submission Process

Ohio BoSCoC staff will submit the GIW on behalf of the Ohio BoSCoC by July 7, 2022.

All CoC Program grantees need to review their information in the GIW and inform COHHIO at ohioboscoc@cohhio.org of any needed corrections by Friday, July 1, 2022. Failure to review grant information in the GIW could result in your project being excluded from the GIW and funding not renewed.

The Ohio BoSCoC FY2022 Grant Inventory Worksheet can be found at <https://cohhio.org/boscoc/coc-program/>.

If you do not inform COHHIO of incorrect information in the GIW by July 1st, we will assume that all GIW grant information is correct.

Please note, grantees are generally not permitted to make changes to any budget amounts or unit configurations via the GIW process (other than corrections). Budget amendments and other significant project changes can only be made by requesting grant amendments from the HUD field office. ***If you have received approval for a grant amendment that is not reflected in the GIW, please be sure to inform COHHIO by July 1st.***

CoC staff have conducted an initial review of the GIW and noted a few errors. Impacted projects are highlighted in yellow in the GIW, and notes about the nature of the errors and the CoC's plan of action are in Column X.
