### **Topic: Advocacy**

### **Purpose of this Listserv Message**

This message announces an upcoming statewide Peer to Peer call taking place on Wednesday, June 8, 2022, at 10am.

### **Target Audience**

All homeless assistance programs in the state of Ohio.

### **Background Information**

Peer to Peer calls connect homeless service providers across the state of Ohio, by having facilitated discussions around topics of interest. These discussions will be facilitated by COHHIO staff, and will allow providers to pose questions to their peers in hopes of learning possible solutions.

### **June Meeting Topic**

- **Public Policy Advocacy**
  - Advocating for state and federal policies to promote affordable housing and end homelessness is one of COHHIO's core functions. For decades COHHIO has given voice to the underrepresented, fighting to end homelessness and ensure all Ohioans have a safe, decent, and affordable home.
    - Join COHHIO's advocacy team to discuss how providers across the state are getting involved in homelessness and housing advocacy issues, as well as opportunities to begin engaging in public policy advocacy in Ohio.
      - Discussion topics include how people/agencies are advocating in their community, results of reaching out to local elected officials, what tools/resources are needed to engage in advocacy, local policy issues happening in your community, and whatever else participants would like to discuss!
