

Statewide Peer to Peer Call - August Invitation

Topic: Staff Retention

Purpose of this Listserv Message

This message announces an upcoming statewide Peer to Peer call taking place on Wednesday, August 10, 2022, at 10am.

Target Audience

All homeless assistance programs in the state of Ohio.

Background Information

Peer to Peer calls connect homeless service providers across the state of Ohio, by having facilitated discussions around topics of interest. These discussions will be facilitated by COHHIO staff, and will allow providers to pose questions to their peers in hopes of learning possible solutions.

August Meeting Topic

- **Staff Retention**
 - During this month's Peer to Peer call, participants will discuss current practices and ideas around how to retain staff. We also want to hear what keeps providers in their current roles, what can be improved, and how we can advocate for desired changes/improvements.
