

Helpful Resources for Racial Equity Work

Why?

[Building the Case for Racial Equity in the Food System, Center for Social Inclusion](#)

A report outlining the impact of policies in racial equity in the food system through structural race analysis along the food chain.

[History of Racism and Movements, Racial Equity Tools](#)

Outlines the historical context of racism and how various systems have been built upon controlling certain populations and how to identify opportunities to disrupt the system.

[Racial Wealth Gap Learning Simulation, Bread for the World Institute](#)

Interactive tool that illuminates the connections between racial equity, hunger, poverty, and wealth and how policy has contributed to today's social problems.

Where do we stand?

[POWER MOVES: Philanthropy Assessment Guide, National Committee for Responsive Philanthropy](#)

A completed self-assessment toolkit to determine how well you are building, sharing, and wielding power. Helps in identifying ways to transform your programs and operations for lasting, equitable impact.

[Race Matters: Organizational Self-Assessment, The Annie E. Casey Foundation](#)

The questionnaire uses a racial lens to evaluate staffing and operational aspects of the organization, and offers tools and recommendations based on scoring.

[The Community Tool Box: Community Check Box Evaluation System](#)

Web-based tool that can be used to capture and display data illustrating your organizations progress towards your goals, provides support for evaluations, promotes accountability, and encourages continual improvement.

How do we do better?

[Building Racial Equity Trainings, Race Forward: The Center for Racial Justice Innovation](#)

Series of interactive trainings to sharpen skills and strategies in addressing structural racism while advancing racial equity, with a specific focus on institutional racism.

[Racial Equity Tools](#)

Provides organizations with various strategies relevant to racial equity work, with information on how to communicate, enact, and sustain meaningful change.

[The Community Tool Box](#)

Information and training in fields of community health and development, available training curriculum to support core community-work skills.

Glossaries, Guides, and Tips

[Racial Equity Tools Glossary](#)

Provides definitions for terminology used in racial equity and justice works.

[Racial Equity Tools: Tip Sheets](#)

Based on the experiences of the website authors in their own racial equity work, these individuals provided tips in topics such as working with communities, initiating evaluation, aligning evaluation with your work, collecting info, and sharing results.
