  • Determination of eligibility for housing assisted by HUD should be made available without regard to actual or perceived sexual orientation, gender identity, or marital status.

HUD’s Equal Access Rule

• The second rule, issued September 21, 2016, is the "Equal Access in Accordance with an Individual’s Gender Identity in Community Planning and Development Programs Rule".

Overview of CoC Competition Process

• Submission and Selection of New Projects Applications
• Submission of Project Applications in e-snaps
• Completion of Consolidated CoC Application

HUD’s CoC Competition Requirements

- CoCs must operate collaborative process for development of project applications.
- CoCs must establish priorities for funding projects.
- CoCs must designate a Collaborative Applicant to submit combined information for all project applicants.

Goals for FY2022 CoC Competition

• Promote the use of best practices
• Maximize available funding for the Ohio BoSCoC
• Fund projects that:
  • meet community needs
  • are cost effective and maximize program and mainstream resources
  • successfully end homelessness
  • help achieve the federal strategic plan goals to end homelessness for all populations

Goals for FY2022 CoC Competition

Project Ranking Goal
• To rank Ohio BoSCoC new and renewal projects in a way that helps the CoC continue to meet local homeless needs, while also maximizing CoC Program funds and ensure ongoing national competitiveness
Goals for FY2022
CoC Competition

Project Ranking Priorities
• The CoC may...
  • Preserve low-ranking projects at risk of losing funding where those projects represent the only CoC Program funding in their communities
  • Preserve low-ranking Permanent Housing (PH) projects at risk of losing funding where those projects represent the only CoC Program funded PH in their communities
  • Prioritize projects that have demonstrated the use of Housing First practices
  • Reduce funding requests for the lowest ranked projects as a means to preserve funding for higher ranked projects, if needed, and keeping in line with other priorities
  • Consider ranking new projects higher than some renewal projects, where the CoC believes doing so will better help the CoC meet the ranking goal outlined above
  • Consider unresolved HUD monitoring findings when making final ranking decisions for the lowest ranking projects
