## Background and Introduction

### Organization of the Ohio Balance of State Continuum of Care

The Ohio Balance of State Continuum of Care (BoSCoC) is comprised of the 80 rural counties in Ohio and represents diverse populations, needs, and capabilities. The 80 counties within the Ohio BoSCoC are further organized into 17 Homeless Planning Regions that engage in collaborative planning around homeless programming. A map of the Ohio BoSCoC Homeless Planning Regions can be found [here](#).

The Ohio BoSCoC Board, which is comprised in part of one representative from each BoSCoC Homeless Planning Region, guides the policy and planning direction of the continuum. The CoC Board has designated the Ohio Department of Development (ODOD), as the Collaborative Applicant for the Ohio BoSCoC. In this role, ODOD is responsible for submitting the annual consolidated application for CoC Program funding on behalf of the Ohio BoSCoC. In turn, ODOD has contracted with the Coalition on Homelessness and Housing in Ohio (COHHIO) to provide primary staff support to the Ohio BoSCoC.

### HUD's Continuum of Care Program and the Annual Continuum of Care Competition

Every year, the U.S. Department of Housing and Urban Development (HUD) makes available federal resources for homeless programming to communities around the country through its Continuum of Care (CoC) Program and its annual CoC Competition. Continuums access these funds by completing consolidated applications on behalf of the federally funded homeless programs in their CoC. For the Ohio BoSCoC, the Collaborative Applicant (ODOD) and COHHIO facilitate this process and submit the consolidated application. Any organization located within the 80 counties of the Ohio BoSCoC that wishes to access new or renewal CoC Program funds must participate in local homeless planning efforts and the annual BoSCoC CoC Competition to do so.

The Ohio BoSCoC receives about \$20 million annually for new and renewing homeless programs, representing over 100 transitional and permanent housing programs across 80 counties.

## Target Audience

The 2022 CoC competition plan and timeline is only applicable to HUD CoC-funded projects renewing their CoC project funding in 2022, or those organizations applying for funding for a new CoC-funded project.

## Purpose of this Document

This document is intended to provide Ohio BoSCoC members with basic information about the Ohio BoSCoC 2022 CoC Competition, including the following:

- Priorities for new and renewal projects
- The renewal project evaluation process and timeline
- The process for completion of the 2022 Ohio BoSCoC consolidated application
- Preliminary priorities for ranking renewal and new CoC projects in the consolidated application

## Goals and Priorities for the 2022 Ohio BoSCoC CoC Competition

The Ohio BoSCoC Board has identified the following funding priorities for the 2022 Ohio BoSCoC Competition:

- Submit a consolidated application that meets threshold and maximizes available funding
- Fund projects that meet community needs
  - Including project conversions and new PH projects
- Fund projects that are cost effective and maximize program and mainstream resources
- Fund projects that successfully end homelessness
- Promote the use of best practices
- Fund projects that will help the CoC achieve the federal strategic plan goals of ending homelessness for veterans, chronically homeless, families, youth, and all other populations

In addition, the CoC Board has identified the following goal and priorities to guide final ranking of new and renewal projects in the 2022 CoC Consolidated application:

- Project Ranking Goal: To rank Ohio BoSCoC new and renewal projects in a way that helps us continue to meet local homeless needs, while also helping the CoC maximize CoC Program funds and ensure ongoing national competitiveness
  - To that end, the following priorities, in no particular order, will help guide development of a final ranking approach:
    - The CoC may seek to preserve low-ranking projects at risk of losing funding where those projects represent the only CoC Program funding in their communities
    - The CoC may seek to preserve low-ranking Permanent Housing (PH) projects at risk of losing funding where those projects represent the only CoC Program funded PH in their communities
    - The CoC may prioritize projects that have demonstrated the use of Housing First practices
    - The CoC may consider reducing funding requests for the lowest ranked projects as a means to preserve funding for higher ranked projects, if needed, and keeping in line with other priorities
    - The CoC may consider ranking new projects higher than some renewal projects, where the CoC believes doing so will better help the CoC meet the ranking goal outlined above
    - The CoC may consider unresolved HUD monitoring findings when making final ranking decisions for low scoring projects

## Renewal CoC Project Evaluation Process

The Ohio BoSCoC evaluated all renewal CoC projects in spring 2022 and the results of the evaluation inform the CoC Project ranking. Results of the project evaluation and preliminary project rankings are posted to COHHIO's website at <https://cohho.org/boscoc/coc-program/>

## Funding Opportunities and New Project Application Process

The Ohio BoSCoC solicited new projects for CoC Program funding, including for prospective DV Bonus funding, in spring 2022. The CoC will communicate new project selections by August 17, 2022. Final rank order of all projects, including new projects, will be communicated by September 9, 2022.

### DV Bonus Projects Opportunity

The Ohio BoSCoC solicited new DV Bonus project proposals for new RRH or Joint TH-RRH project types in spring 2022. However, no proposals were submitted at that time, so the CoC released another RFP when the FY2022 CoC Competition opened in August 2022.

Applicants seeking funding through the DV Bonus Project opportunity must commit to serving survivors of dating violence, domestic violence, sexual assault, or stalking, and must commit to using policies and practices that are trauma-informed and client-centered. Applicants do not necessarily need to be victim service provider, but must have demonstrated experience working with survivors.

DV Bonus funding proposals are due to [ohioboscoc@cohho.org](mailto:ohioboscoc@cohho.org) by August 26, 2022. The RFP template can be found here: <https://cohho.org/boscoc/coc-program/>

### Scoring and Ranking of New CoC Project Applications

Submitted Project Applications will be reviewed and scored. Once all Project Applications and renewal CoC projects are reviewed they will be ranked together according to their scores and the CoC's ranking priorities.

## CoC Project Application Submission Process

### Project Application Technical Assistance

In addition to reading Ohio BoSCoC guidance documents related to the 2022 CoC Competition and participating in any available webinars or trainings, Ohio BoSCoC grantees are encouraged to read all relevant guidance materials available at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>.

Ohio BoSCoC grantees can contact the CoC team at [ohioboscoc@cohhio.org](mailto:ohioboscoc@cohhio.org) with any questions about project applications or the Ohio BoSCoC 2022 CoC Competition Plan and Timeline.

## Project Application Submission Process

### *Confirming Approved Project Budgets and Total CoC Program Funding Request*

Renewal grantees are only permitted to submit funding requests that exactly match the amounts listed in the 2022 *Grant Inventory Worksheet* document available at <https://cohhio.org/boscoc/coc-program/>. All grantees must review this document and ensure their submitted project application funding requests match what is listed. The document also provides information on expiring grant numbers, rental unit configurations, etc.

### **Supplementary Information**

In addition to the project application, some additional information/documents may need to be provided or kept on file for the project. The following section identifies the various supplementary items that grantees and applicants must attend to.

#### *Documentation of Project Match*

Ohio BoSCoC grantees and applicants are required to have match commitment letters by the time project applications are submitted. These commitment letters must be signed during the CoC Competition window and must be attached to the project application in e-snaps. All projects must obtain 25% match.

#### *MOU's*

As part of the CoC Program regulations, HUD requires all CoC Program grantees/applicants to develop Memoranda of Understanding (MOUs) with any partner agencies that will provide services to program participants. MOUs are particularly important when the partner agency will provide services that the grantee plans to document as match. MOUs must include the following components:

- Unconditional commitment by the partner agency to provide the services
- List of specific services to be provided
- Profession of the people providing the services
- The hourly cost of the services to be provided

Ohio BoSCoC grantees and applicants are required to have MOUs by the time project applications are submitted. These MOUs must be signed in the CoC Competition window and must be attached to the project application in e-snaps. If they include all the required MOU and match letter information, MOUs may be used to document both match and the partnership for provision of services.

#### *Education Policies*

All projects serving homeless families are required to ensure that their program policies and procedures are consistent with the laws related to providing education services to homeless families. Additionally, projects serving families are required to have a designated staff person to ensure that children are enrolled in school and receive educational services as appropriate.

These written policies do NOT need to be submitted at this time. However, copies may be requested at a later point.

## **Final Submission of the Ohio BoSCoC Consolidated CoC Application**

After all renewal projects and new CoC project applications have been received, reviewed, and ranked, the Ohio BoSCoC Collaborative Applicant (ODOD with assistance from COHHIO) will prepare the CoC Project Ranking list on behalf of the Ohio BoSCoC. Once the Ohio BoSCoC Board has approved the listing, ODOD will electronically submit the project applications and the Ohio BoSCoC Consolidated CoC Application via e-snaps to HUD.
