

Good evening, all!

Please see the attached opportunity for youth to participate in Collaborating for Change. There is also a link you can share here: https://drive.google.com/file/d/1t6h9Yl6c9K4p0mQsbposlX_Ok6LYZG2p/view.

For those of you who don't know, Collaborating for Change is a partnership between the Coalition for Juvenile Justice, the National League of Cities, and COHHIO to address intersections between juvenile justice and youth homelessness.

We are looking for two youth to participate in ongoing meetings at a rate of \$20/h for up to six hours of work a month. We are looking to onboard folks before 02/22/2023 if possible, regular meetings are usually held the fourth Wednesday of the month from 12:30P-1:30P.

If you have questions or are interested in learning more, you can reply to this email or give me a call at the number below.

Thanks for your consideration,

aew
