6

Qualitative Data Activities

CoC Wide Activities

Each CE liaison will receive a survey to complete on CES activities.

Additionally, each CE liaison may nominate up to 3 stakeholders within their region to receive a stakeholder survey.

The results will be collated and compared to the quantitative data.

7

Qualitative Data Activities

2 regions will have a more in-depth assessment:

- An interview with the CES liaison
- Listening sessions with other stakeholders
- Focused interviews with participants who have navigated the CES system
 - Participants will be paid
 - Deidentified summaries from interviews will be integrated into report

8

Final Report & Presentation

Comprehensive report

- Summary of CES activities
- Strengths and challenges implementing the system
- Summary of feedback received
- Recommendations for performance improvement

Will provide separate Executive Summary to be shared publicly

Webinars for BoS CoC Board and CES leads to review findings & answer questions
