Subject: Re: RHY NOFAs Available

Hi Amanda!

I wanted to send this to you all in case these weren't on your radar. There are at least two new NOFO opportunities via OJJDP and FYSB that may be relevant for communities as they think of resources and approaches to strengthen their coordinated community approach to ending youth homelessness.

OJJDP: [OJJDP FY 2023 Supporting Vulnerable and At-Risk Youth Transitioning Out of Foster Care](#)

Solicitation Status: Open--deadline May 3 2023 with a Solicitation webinar on April 7th.

Description

With this solicitation, OJJDP seeks to support the establishment of a pilot demonstration program to develop, implement, and build replicable treatment models for residential-based innovative care, treatment, and services. The primary population served by such pilot programs will include adolescents and youth transitioning out of foster care who have experienced a history of foster care involvement, child poverty, child abuse or neglect, human trafficking, juvenile justice system involvement, substance use or misuse, or gang involvement. Eligible applicants can provide services to vulnerable and at-risk youth up to and including age 25.

FYSB: [FY 2023 Runaway and Homeless Youth - Prevention Demonstration Program \(RHY-PDP\)](#)

Status: Forecasted

Description: The Runaway and Homeless Youth Prevention Demonstration Program (RHY-PDP) program supports the design and delivery of community-based demonstration initiatives to prevent youth and young adults from experiencing homelessness. Through development and coordination of partnerships with youth and young adult services providers, community organizations and private and public agencies the RHY-PDP will: 1) Identify young people at risk of experiencing homelessness; 2) Design and develop a comprehensive community prevention plan to prevent youth homeless; 3) Implement the robust, holistic services plan to respond to the diverse needs of youth who may be at risk of homelessness and their families.

Feel free to share with Ohio folks!
