Subject: HUD Publishes the FY2022 YHDP NOFO

The Notice of Funding Opportunity (NOFO) for FY2022 Youth Homelessness Demonstration Program (YHDP) is now available! YHDP is an initiative designed to address systemic responses to youth homelessness and significantly reduce the number of youth experiencing homelessness. Through this NOFO, HUD will award approximately $60 million in up to 25 participating communities. HUD strongly encourages all communities to consider applying.

Apply for the YHDP NOFO on Grants.gov.

Submission Deadline: June 27, 2023

- YHDP is an initiative designed to address systemic responses to youth homelessness and significantly reduce the number of youth experiencing homelessness in up to 25 participating communities.

- HUD strongly encourages all communities to consider applying. Applications must be submitted through grants.gov (and not through e-snaps).
• **This Application** is for your community’s participation in the initiative only. **Project** funding applications will only be submitted by communities selected to participate.

• **This Application** must be submitted by a community’s Continuum of Care (CoC) Collaborative Applicant, but must be co-developed with a broad array of community partners, including a youth action board, a state or local child welfare agency, youth homelessness housing and service providers, local schools districts, workforce development organizations, law enforcement, judges, corrections, and more.

• Youth leadership is a critical component of the YHDP. Communities are required to establish a Youth Action Board to guide the Coordinated Community Plan and YHDP project design development.

• Links to the NOFO and additional resources will soon be posted to the YHDP page. Technical Assistance documents on YHDP are located on the YHDP HUD Exchange page.
