

# Ohio Balance of State Continuum of Care Coordinated Entry Fundamentals E-Learning Course Available

## **Purpose of this Listserv Message**

This message announces the availability of a new course in COHHIO's E-Learning Center.

## **Target Audience**

Ohio BoSCoC members.

## **Background Information**

The Ohio BoSCoC began implementation of its Coordinated Entry (CE) system and processes in 2018. All providers within the Ohio BoSCoC homeless response system interact with and engage in CE processes in some way. You can find the CE Operational Manual, which includes comprehensive information and requirements related to the CE system here -

<https://cohhio.org/boscoc/coordinated-entry/>

## **CE Fundamentals Training Course**

The Ohio BoSCoC has released its new CE Fundamentals e-learning course in the COHHIO e-learning center. This multi-part series is intended to provide a basic overview of CE and how the Ohio BoSCoC has designed its CE system. All homeless services staff should review this course.

You can access the CE fundamentals e-learning course by clicking the *CE Fundamentals e-learning center course* link on the [CE webpage](#) (in the Training section) or by following the [instructions to enroll in the e-learning course](#), which are also linked on the CE webpage. Additionally, program managers will find a *Support and Accountability Guide for the CE Fundamentals Course* on the CE page. This guide is intended to assist managers with implementing the e-learning course as part of an employee training or onboarding program.

Questions can be directed to Erica Mulryan, COHHIO, at [ericamulryan@cohhio.org](mailto:ericamulryan@cohhio.org).
