

## Cross Site Leadership Committee Charter

- **Purpose and Intent of HBAH 2.0 Cross-site Leadership Committee:**

The HBAH 2.0 Collaborative will be governed by a Cross-site Leadership Committee (CLC). The CLC will align implementation, ensure fidelity to the HBAH model across all sites, and oversee design decisions and the project timeline to conform with ODH and other funder requirements.

- **Team Leadership, Membership, Management, and Facilitation:**

The HBAH 2.0 Collaborative Cross-site Leadership Committee (CLC) is composed of lead staff from all four sites and COHHIO with support from subject matter experts.

Four (4) individuals with lived experiences of housing instability during pregnancy will be appointed by the CLC to serve as community advisors with full voting power. These individuals will be compensated consistent with COHHIO's compensation policy. Community advisors will be recommended for participation by the four local sites. Each Community Advisor will have a one-year term that is renewable.
